

CITYWIDE ADDICTION SUPPORT NETWORK

A Collaborative Network of 21 Behavioral Health
Service Providers and NYC Health + Hospitals

Prevention. Treatment. Recovery.

Bronx • Manhattan • Queens

Citywide Addiction Support Network (CASN) assists New Yorkers struggling with or at risk of using addictive substances. CASN offers free medical and behavioral health services for the uninsured and underinsured and those who have been or are currently involved with the justice system.

CASN serves adults and adolescents from the Bronx, Manhattan and Queens.
